News for publication should reach us not later than Tuesday each week.

PLEASE notify us promptly of any change in your ADDRESS.

Entered as second class matter November 12, 1936, at the post office at Mound Bayou, Mississippi, under the act of March 3, 1879.

All Ages Join In WPA Recreation Activities

The Mound Bayou W. P. A. Recreation Center has been the center of attraction, including all ages from the pre-school to the mature men and women who participated in the games, for the month of July.

New attractions were increased in July to provide activities for the all age groups. Horseshoe and Croquet were enjoyed by the teen-age and adult groups.

The play grounds are offering plenty of fun for all. The children are learning new games which teach them the spirit of friendship.

The Sunset Song Service was enjoyed by the group, including "Small Voice Ensemble, Negro Melodies," Quartet and Medleys.

After all, it is the "eats" that help us forget about the weather in July and August. The various refreshment committees have gone to some trouble to give us cold melon, cold drinks and red lemonade. We hope they will continue the good eats.

Little B. F. Scott Jr. and Cleona Scott entertained 45 of their little friends last Wednesday. Little Janet Johnson sang "Happy Birthday to you." After the Peppy program which was dedicated to the

youngest kiddies of Mrs. Rosa Del Scott.

Miss Doris White served each of the guest with punch and cookies, and watermelon. Each tiny tot was given a novelty horn.

Five WPA Housekeeping Aides Help Needy Here

The WPA Housekeeping Aide Project employs 5 Aides in Mound Bayou, who furnish assistance in general housework, care of children, and simple home care of the sick in homes of the needy, under the direction of the County Supervisor.

Aides are trained in all household duties, simple care of the sick, child care, meal planning and home improvement are some of the activities demonstrated and practiced at the Training Center one day each week. This training center is furnished and maintained by sponsors, co-sponsors and interested citizens. All persons employed on this project work a required number of hours each day,

as set forth in WPA regulations.

All requests for service of aides must come through the Department of Public Welfare, and all persons requiring such service are urged to make this request promptly so that service may be furnished at the time it is needed. This project has brought relief in many homes where illness made it impossible for the homemaker to carry on her usual household duties.

Powell Bros. Funeral Homes

Mound Bayou, Miss.

Chicago, Ill

... Of course, you are no expense to anyone while you live; but suppose you die?

Are your relatives financially able to decently bury you without going into debt for your funeral?

Ben Franklin said: "Work as if you hoped to live always; but live as if you expected to die tomorrow."

There is no happier way to face the end, than by knowing that you will not be a burden on anyone when or if you should die.
